Closing the Gap % needed to make 0 gap				
	English	Maths	Science	% weightage
TOTAL (16)	0%	0%	-12%	6% = 1 pupil

Positives:

Strong progress across English, Maths and those applied within science.
 6 pupils (46%) within FSM & LAC cohort achieved above expected progress across all components of the core subjects.
 Significant majority within English, Maths and Science achieved above expected progress - showing curriculum stretch.

Improvements / Challenges:

1 pupil attending Alt Provision didn't secure expected level within English or Maths, due to poor attendance and significant criminal activities resulted in Local Authority

Positives:

Strong progress across English, Maths and those applied within science.
 2 / 3 pupils (66%) within NFSM cohort achieved above expected progress across all components of the core subjects.
 Significant majority within English, Maths and Science achieved above expected progress - showing curriculum stretch.

Improvements / Challenges:

N/A

Next Steps:

Look at matching progress to attainment judgements for 2022-23.
 Increased opportunities for Cognition and Learning pathway to secure an accreditation within Science and not just units within the Gateway Progression Diploma.
 Those attending Alternative Provision still secure expected levels of progress and attainment within the core curriculum (to enhance their vocational profile).
